COMMENCEMENT EXERCISES

Of the John B. Atkinson Memorial School Held at Temple Theatre Tuesday Evening

PROMINENT EDUCATORS TAKE EXTENSIVE PART

Down the corridors of ceaseless time for years yet to come May 30th will stand out with preeminent prominence in the memory of the good people of Earlington as one of the greatest in the history of this city along educational lines. For on this date was held the first annual commencement of the John B. Atkinson Memorial School under this much loved name.

The Temple Theatre had never looked more attractive or inviting with its abundance of spring flowers and feathery greens, crimson ramble roses on immense branches, forming draperies around the stage and boxes with bowls and sprays of roses everywhere in evidence. Seated on the stage were the members of the graduating class, the faculty and the members of the Board of Education, Rev. J. S. Hawkins, J. T. Connaway and Dr. C. M. Thompson, of Hopkinsville, Ky., and it was repeated more than once during the evening that no more distinguished looking company had ever greeted an Earlington audience than the one which smiled down on us from the rostrum at that time. Excellent music was furnished by the Earlington orchestra which was swelled at that time by others of musical talent who wanted to honor the class of 1916. After the invocation by Rev. Connaway and a brief message of greeting by Supt. C. E. Dudley, Lewis Monroe Craig gave his essay, "Development of American Journalism." It was full of interesting facts from start to finish and was well delivered by the speaker, who, in the class was spoken of as being the most industrious and studious in the whole school. Jack Whitford followed with an oration, "Education for Life," and captured the whole audience and with his pleasing voice and easy manner.

Next on the program was the sweet girl graduate, Miss Anna Lee Hodge, who looked just as a young girl graduate should and gave her rather difficult but very enjoyable reading, "Midnight Run of the Overland," without a break. Lionel Ren, who is affected with cathectes scribendi,

MUCH INTEREST SHOWN IN CITY BALL LEAGUES

The Business Men are Behind the Movement And it is Possible that a League May be Had Here

MEETING CALLED FOR SATURDAY NIGHT IN THE CITY HALL AT 7:30

A great deal of interest is being manifested by the business men of the city in the City Baseball League. No definite arrangements have been made, but from the prospects and the interest that is being shown among the people and baseball fans, everybody is in favor of the movement. A meeting has been called for Saturday night at 7:30 in the City Hall on Main street. Everyone who is interested in the movement is cordially invited to be present at this meeting. At this meeting the possibilities of maintaining a league and the prospects for four teams will be discussed. A set of by-laws and rules will be submitted, and organization will be formed if possible.

It is requested that representatives of the Redman and K. P. Lodges be present.

then gave an original oration, "America in the World's Crisis," which showed deep thought together with great literary ability for one so young.

The class prophecy, which is always looked forward to with pleasure was ably given by Wallace Clarke and his hearers were wishing for him and his teachers all the good things which his prophetic eye saw in the dim and distant future.

Doris Shaver was the class giftorian and came last on the program with a suitable gift for all concerned. It was surprising how he had divined the needs of all from the first grade teacher to the superintendent.

The class address was given by Dr. C. M. Thompson, of Hopkinsville, was brief but pointed and full of good things. His topic was "Well Done, at Last," and he made all feel that unless at the end this plaudit could be given, life was indeed a failure.

Next followed the presentation of the diplomas by Supt. C. E. Dudley to members of the graduating class, after which the president of the Board of Education, P. M. Moore, on behalf of the board, in a few well chosen words presented the six graduates a copy of Cale Young Rice's poems, the Kentuckian, who is now gaining a national reputation as a poet of unusual genius.

A class of eight, who had finished eighth grade received a common school diploma and were promoted to high school.

The class of 1917 occupied one of the boxes and was the largest Junior class since the establishment of the high school. After a parting message by the superintendent and the benediction by Rev. J. S. Hawkins, the immense assemblage departed, to carry with them happy promises for the future and pleasing memories of the past.

Earlington is proud of her school and the entire faculty and looks forward to greater things in the future.

And for what are you prepared?

MISS ETHEL OLDHAM STILL IN THE LEAD

CONTEST WILL SOON BE OVER

Miss Ethel Oldham is still leading in the Watts Grocery Cincinnati-Louisville Ohio River contest with Miss Dorothy Corbitt a close second. The contest will soon be over now and the contestants are working hard for this magnificent trip and seven days outing. Just a few hundred votes either way would make a winner of the two leaders and with a little extra effort on their part either of them can win. Perseverance and concentration can accomplish anything and from the looks of things now it is a toss up which of these two young ladies will have the pleasure of accompanying the Bee's large party on their boat trip to Louisville and Cincinnati June 19th to 25th. Following is the standing of contestants:

Here's to the women of our community, than whom there are none sweeter or more lovely in this wide wide world!

THERE SURE IS SOMETHING GOIN'

In George King & Sons' Louisville-Cincinnati River Trip Contest

MISS MARY PARKER SLIGHTLY IN LEAD

Things are becoming exceedingly warm in the George King & Son's Cincinnati River Trip contest. Miss Mary Parker is slightly in the lead with Miss Achsa Todd a close second. Miss Gladys Whitford and Nell Ophran are not hopelessly behind and the race is not decided by any means. The contest is nearing an end and a few more days will tell the tale. This contest has been an interesting one from the start and there is quite a great deal of interest being displayed as the end draws nearer. The contestants realize that a few neglected opportunities at this stage of the game would cause them to lose this splendid trip and they are all ON THE ALERT TO SECURE EVERY POSSIBLE VOTE AND BY THIS MEANS ARE SENDING QUITE A GOOD DEAL OF TRADE TO KING & SON'S Drug Store. The standing of the contestants will be published only one more time before the contest ends and the issue of Friday, June 16th will contain the names of all the winners. There are only ten days more to work and it behooves all the contestants to put in their best licks during that ten days, as a little extra work on their part may make a winner of them. Following is the standing to date.

Mary Parker	64,250
Mrs. Lowry Todd	61,225
Gladys Whitford	48,960
Nell Othran	40,625
Ruby Ashby	19,348

THE REMAINDER ARE WELL BUNCHED

St. Charles is well in the lead in the contest this week with Mrs. Ed Hamer, of this place, 2nd and all the rest well bunched, with a slight difference in their votes. The contest is now getting warm and as the votes will not be published but one more time and that in next Friday's issue we look for a considerable vote to be polled before this issue of the paper comes out. The contest is rapidly drawing to a close, all arrangements have been made for the trip, the Bee's party will stop at the "Hotel Metropole" while in Cincinnati and will be the guest of the Cincinnati Chamber of Commerce and great things have been planned by the secretary Mr. Thos. Quinlan for the pleasure of the party during their stay in the Queen City. Among other things is the trip to Coney Island, ten miles up the river from Cincinnati, a visit to the world's famous Zoological Gardens, the Art Museum, Rockwood Pottery, street car ride up Mt. Adams Incline through Eden Park, one of the most beautiful natural parks in the world, a visit to Chester Park Cincinnati's famous pleasure resort, and last, but not least, one of the largest department stores in the city will serve a specially prepared luncheon to the ladies of the party, in fact Cincinnati will be wide open to the Bee's Party and they will be in charge of a committee from the American Press Association and the Chamber of Commerce during their stay. If any of the friends of the winning contestants wish to accompany them on this splendid trip they may do so at the exceedingly low rate of \$20.00 and this includes railroad and steamboat transportation, meals and berth and hotel bill in Cincinnati. We must know by June 10th how many are going so we can notify the steamboat and hotel people.

EDITOR SOMMERS SCORES STANLEY

Elizabethtown News Avers He Tried to Fool People In Speech at Lexington

ACCUSES HIM OF BOASTING

Elizabethtown, Ky., May 30.—Under the caption, "An Unfortunate Speech," the Elizabethtown News of this date, has the following editorial by Col. H. A. Sommers:

"At the Lexington convention Gov. Stanley, at his own request, was made temporary chairman. This gave him a splendid opportunity to put aside all questions of State politics, about which there is division and dissension, and sound a bugle blast for Woodrow Wilson, around whom all Democrats are agreed and willing to rally.

"The occasion was one when Kentucky was selecting its delegates for the St. Louis convention to renominate Woodrow Wilson for President. It was, therefore, a fitting opportunity to extol the merits of our candidate and the wonderful achievements of his administration. Instead of doing the proper thing the Governor did the improper thing. His speech was chiefly devoted to self exaltation and bragging about what the Legislature had done at his dictation.

Put Self First

"In other words, he put himself and his achievements, which should have no part in the coming campaign, ahead of Woodrow Wilson and his achievements upon which the national election must be decided. The Governor did not stop with this, but blundered further when he posed before the convention as a friend of the county unit law, when everybody knows that, at the instance of the liquor interests, he killed in the House

the anti-shiping bill, after fifty-two members had asked the Rules Committee to report it for action. This bill would have practically put the 'bootleggers' out of business, and Gov. Stanley's action was in the interest of the 'bootleggers' instead of the county unit law.

His Friends 'Wet'

"If anything further was needed to show the insincerity of Gov. Stanley on the question of the county unit, it is only necessary to look at the crowd with which he has surrounded himself, and with his selection of Gen. Haldeman as National Committeeman and Campbell Cantrill as campaign chairman, both of whom have continuously fought the county unit and are the known champions of the liquor interests and have been the lobbyist of the liquor people.

"With this sort of a record we would as soon believe that Governor Stanley was the friend of temperance as to believe the devil a saint. We would just as soon believe that men who were clustered around the Governor on the stage, Phil Grinstead, Lawrence Reichert, Owsley Brown, Billy Blair and Campbell Cantrill, were the friends of temperance as to believe Gov. Stanley is.

Attempted to Deceive

"It was in bad taste for the Governor to drag this question before the footlights, where it had no place, in a national campaign, but it was even worse for him to attempt to deceive the people of the State as to his real attitude in regard to the 'liquor question.'

SOCIETY

In honor of their house guest Miss Katie Murrell, of Columbus, Misses Margaret and Elizabeth Kemp gave a very charming Rook party Wednesday afternoon, at their beautiful home "Oakmoor." The rooms of this spacious home were attractively decorated with red roses and placed throughout the tables, at which were seated the players, Misses Katie Murrell, Lucile Adams, of Paducah; Geneva Huffaker, Frieda Heller, Hazel Lucy and Julia Fawcett, Elizabeth Long, Kathryn Howard, Kathleen Spillman, Mable Browning, Agnes Lynn, Katherine Victory, Ida Lee Sisk, Margaret Atkinson, Susan Marie and Sarah Crutchfield and Margaret and Elizabeth Kemp, Mesdames J. Miss Mable Browning was the gracious hostess of the Triange Club on last Thursday evening. Beside the club members, Misses Kathryn Howard, Elizabeth Long, Merrie King, Margaret Atkinson and Katie Murrell were guests of Miss Browning. After a number of interesting games of Rook, a salad course was served.

The "Possum Hunters" crowd enjoyed another Bacon Fry at the Park Monday evening. Despite the fact that all Nature proclaims the coming of a storm, these young folks whose hearts are brave, went forth to their supper under the trees at Lakeside Park. Hardly had they finished when unmistakable signs of the coming storm warned them to seek shelter. Those who rowed across Loch Mary barely escaped the fury of the elements, while others reached the friendly shelter of the "Old Hickory Inn." Those who enjoyed this affair were: The Misses Fawcett, Crutchfield and Kemp, Misses Murrell, Adams, Browning, Long, Huffaker, Heller, Howard, Lynn, Dudley, Atkinson and Spill-

"WHY WOMEN CANNOT SLEEP."

The highly organized, finely strung nervous system of women subjects them to terrors of nervous apprehension which no man can ever appreciate. The peace of mind, the mental poise and calmness under difficulties, which is necessary for happy womanhood, is only possible when the sensitive feminine organism is in a perfectly healthy condition. If there be any weakness or derangement in this respect no remedy in the world so completely restores womanly health, nervous vigor and capability as the wonderful "Favorite Prescription" invented by Dr. R. V. Pierce. It purifies, builds and strengthens; insures functional regularity; provides physical reinforcement and sustaining power at periods of special weakness and depression. Covington, Ky.—"For about twenty years I have known of Dr. Pierce's Favorite Prescription. I began using it because a friend recommended it. When run down, nervous and dragging around I used several bottles of this well-known remedy. It always helps me just as it is advertised to do. It is the most pleasant and the best woman's medicine I have ever used. I have recommended it to several others. My daughter has also used it with just as good results as I have."—Mrs. LUCRETIA GIBSON, 1338 Greenup St.

man; Messrs Ross, Mitchell, Davis, Shaver, Ryan, Featherston, Phillips, King, Hawkins, Dudley, Umstead, Southworth, Arnold, Lynn, Long; Messrs and Mesdames Elgie Sisk and C. G. Trahern.

Mrs. Ernest Newton was the hostess of the B. D. E. Club on Tuesday afternoon. A tempting lunch was served.

Mr. and Mrs. H. W. Rogers entertained at dinner Tuesday evening in honor of the Rev. Thompson, who is pastor of the First Baptist Church in Hopkinsville, and Miss Lucile Adams, a graduate of Bethel College of which Rev. Thompson is chairman of the Board of Curators. The other guests were Rev. Hawkins, of the Christian Church.

One of the enjoyable parties of the week, given in honor of the visitors in town and the school marm's who soon will leave for their respective homes, was that given by Miss Elizabeth Long on Friday morning. At noon the guests were served an appetizing luncheon consisting of a salad and ice course. Miss Long's invitation list included, Misses Murrell, Cayce, Adams, Lynn, Atkinson, Heller, Huffaker, Browning, Victory, Sisk, Dudley, Spillman, Sarah and Susan Marie Crutchfield, Hazel, Lucy and July Fawcett, Margaret and Elizabeth Kemp and Howard.

Mrs. E. B. Brown, of Morton, entertained Thursday evening in honor of her guest Miss Lucile Croft, of Lakeland, Fla. Miss Beatrice Delaney, of this city, helped the hostess receive her guests. A delicious lunch was served.

Mrs. Nisbet's score was the highest. Mesdames Ross, Rule, Johnson and King lead in the total score. A delicious ice course was served by the hostess.

EVER SALIVATED BY CALOMEL! HORRIBLE!

Calomel is quicksilver and acts like dynamite on your liver.

Calomel loses you a day! You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

When you feel bilious, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel just remember that your druggist sells for 50c a large bottle of Dodson's Liver Tonic, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside and can not sally.

Don't take calomel! It makes you sick the next day; it loses you a days work. Dodson's Liver Tonic straightens you right up and you feel great. Give it to the children because it is perfectly harmless and doesn't gripe.

The Quinine That Does Not Affect The Head Because of its tonic and laxative effect, LAXATIVE BROMO QUININE is better than ordinary Quinine and does not cause nervousness nor ringing in head. Remember the full name and look for the signature of E. W. GROVE, 25c.

READ THIS

As a careful business or household manager, you do not want to let opportunities for economical buying pass you by. That is not the way of thrifty people. It is not the way to success.

This being a general store, where a little of everything is sold, it enables you to step from counter and make all of your purchases quickly and under one roof. You save time.

Buying in large quantities as we do, enables us to sell to you in return, at the closest margins of profit, depending entirely on our large volume of sales to insure us a living balance.

READ RIGHT ON

When you want your warm weather clothing—for men, women or children—this is the logical place to come. Our stock is large, our buying was done early before the sharp advance in price, and we are therefore able to make you very advantageous prices on any article you need. It is not necessary for us to go into rhapsodies in print over this stock. All that is necessary is to have you see it, note the quality and workmanship, and compare the prices with others. We are perfectly satisfied that these three points will be sufficient to convince you.

KEEP ON READING

A great many people will tell you that this store is the most economical place in town to buy groceries, provisions, salt and smoked meats, canned and bottled goods, confectionery, etc. We especially want to emphasize the excellence of our brand of flour. It is quite impossible for any merchant to sell a brand of flour that will give any more general satisfaction all around. The tremendous sale on this flour is its greatest recommendation. In our grocery department you can find practically anything on earth you desire, and you will find prices always right down to bedrock.

DON'T STOP

Until you are inside of this store, and don't leave until you have at least given us a trial order. Any of our customers will tell you that it is a matter of actual all around economy to trade here. They know, because they have been trading with us continuously for many years. Will you favor us with a trial order? It will pay.

SCHOOL CENSUS OF HOPKINS COUNTY

Just Completed Shows 10,137 School Children; Decrease of 100 Over Last Year

Interesting figures are disclosed in the school census of Hopkins county, which have just been announced by Superintendent Ray, and which was taken by the trustees of the various school districts.

According to the report, there are 10,137 school children in Hopkins county, which shows a falling off of 100 from the census of last year.

A glance over the census report for several years back shows that the number has decreased each year. In 1913 it was 10,322; 1914, 10,320; 1915, 10,287; and this year 10,137. Back as far as 1903 the census showed that there were 10,342 children of school age in the county. Superintendent Ray cannot account for the gradual decrease.

The report is as follows:

Total in rural schools (white),	6,052
Total in rural schools (colored)	1,961

Do You Look Like You Feel?

If you feel dull, stupid, tired, half alive, you can't help but look it. You slight your work or it lacks punch and pep. You are not putting up a good fight, you are not doing justice to yourself. Your whole system is full of poison, of body waste, of bile. Your liver is on a strike. It is jammed up with bile and the bile overflows and shows in your eyes, your skin, your actions. Your tongue is coated, you have a bad taste, and are just about half your old self.

Start the Bile

Get this bile back into regular channels, into the intestines and bowels where it is used by Nature to kill off disease germs! Clean out the liver with Carstedt's Liver Powder, a good, old-fashioned liver medicine that doesn't taste good, that doesn't look good, that makes you frown as you swallow it, but makes you smile tomorrow.

Start the bile, get it back on the job and in a few days your skin will clear up, your eyes will sparkle with life, and you will have your old-time pep and punch. Don't hold back and wonder if this is true, just remember that the liver is a strainer, it takes the poison out of the blood and sends these strainings (in the form of bile) to kill disease germs in the bowels. Start the liver with Carstedt's Liver Powder—a bottle costs you 25c.

Why We Are Opposing A Government Armor Plant

Bulletin No. 2

To the People:

Some people say that the very fact that the Bethlehem Steel Company is so aggressively fighting the proposal to build a Government armor plant is conclusive proof that the Company is seeking to assure for itself the "vast profits" derived from private manufacture.

The fact is that armor making is the least profitable feature of steel manufacture.

The reason we oppose a Government plant is very simple. It is this:

Even though there is but little profit in the making of armor, we have invested over \$7,000,000 in our armor plant;

That plant is useless for any other purpose; if a Government plant is built the usefulness of our plant is destroyed.

It would be good business for us to make armor for the Government at any price over and above the actual shop cost, RATHER THAN SACRIFICE OUR ENTIRE INVESTMENT.

We do not seek to save big profits; our purpose is very frankly to save our armor plant—itsself built solely for the use of the Government—from going to the scrap heap.

To do that, we are prepared to agree for any period to any terms of manufacture which the Federal Trade Commission shall say absolutely protects the Government of the United States.

THOMAS L. HOWARD OF MADISONVILLE

Called by Death to His Final Home

Thomas L. Howard, a well known citizen of this county passes away, Tuesday afternoon at 6 o'clock. The funeral services were held in the Catholic church here this morning. Mr. Howard had been ill for several months from heart trouble and the end was not unexpected.

As a Catholic he was devoted to his church and his religion, but was broad enough in his views to believe that there were others who were as honest in their opinions as he in his profession.

Mr. Howard was born in Logan county a little over 73 years ago, but in later life, perhaps forty years ago, came to Madisonville, where he has since made his home. Fifty years ago last November he was married to Miss Mary Reine, who still survives her husband. To that union there are eight children living namely J. A. Howard, Meridian, Miss; Mrs. W. D. Ray, of Memphis, Tenn.; Mrs. L. D. Burkholder, of Crofton, Ky.; Miss Florence, Norman, R. A., T. H. and L. S. Howard, of Madisonville.

The funeral will take place this morning at eight o'clock at the church of the Immaculate Conception here, after which the remains will be taken to the Catholic cemetery nearby, where the body will be laid to rest side by side other loved ones that have gone before.

A DELIGHTFUL TRIP THAT RESTS

Both Mind and Body—Cheaper Than Staying at Home—You are Invited To Go

EVEN DAYS TRAVEL AND PLEASURE FOR \$20.00

For real rest and recreation there is nothing that quite equals a boat trip on the broad Ohio river from Evansville, Ind., to Cincinnati, O., on one of the L. & C. Company's spacial steamers.

The cool pure air, the invigorating river breeze, the inviting parlors and state rooms, the unexcelled edibles, all combine to make life aboard these floating palaces a source of continual enjoyment and unalloyed pleasure. If you wish to know the joy and comfort of one of these trips we invite you to go with the Bee's party on June 19. Read carefully the following description of the trip:

The Earlington Bee will on Monday, June 19, take the six winning contestants and a party of their friends, about 50 in number, to Evansville, Louisville and Cincinnati for a seven days outing. The trip will be as follows: Leave Earlington in a special coach on train 92 at 6:20 Monday morning June 19th., leave Evansville on Steamer Tariscon at 10:30 Am. for Louisville, reach Louisville Wednesday Am., lay over in Louisville until 5 Pm. and leave for Cincinnati on Steamer City of Cincinnati, arrive Cincinnati about 7:30 Thursday Am., lay over in Cincinnati Thursday, Thursday night and Friday until 5 Pm., leave for Louisville on Steamer City of Louisville, arrive in Louisville Saturday Am. and lay over in Louisville until 5 Pm. Leave Louisville on Steamer Tariscon and arrive in Evansville Sunday night in time to have special coach put on train 93 for Earlington.

This arrangement gives the party two days and a night in Cincinnati and one day in Louisville going and returning. The party will be met in Cincinnati by a representative of the American Press Association and will visit the Zoological Gardens, Art Gallery and other places of interest, and those who wish may have an opportunity to witness a Big League game.

COST OF TRIP

The cost of this trip including railroad and steamboat transportation from Earlington to Cincinnati and return, meals and berth, transferring of baggage at Evansville, Louisville and Cincinnati and all expenses except the lay-over in Cincinnati will be \$20.00. This is the longest and best trip we have ever undertaken for the money and covers more interesting territory. The Steamers Tariscon and City of Cincinnati are both large and roomy with exceptionally good fare and nice, clean berths. There is an excellent string band on both steamers and plenty room for dancing, bridge parties and other amusements.

The steamers carry a nice line of soft drinks, fruits and confectioneries for the accommodation of passengers. There are about 50 who have signed up for the trip and we are advised by the steamboat people there will be state rooms sufficient for 200, we would like very much to have you make one of this party and guarantee you a splendid good time. The young girls will be looked after by Mrs. Fawcett, who is an excellent chaperone and has had quite a good deal of experience along this line. If you wish to make this trip with us send a check for \$5.00 on or before June 10th and a place will be reserved for you. The remaining \$15.00 to be paid not later than June 17th, as the party leave early Monday morning and there will be no time to make arrangements. If you care to send a check for the full amount a receipt and ticket good for the round trip will be sent you by return mail. To parties who can get railroad pass to Evansville and return, the cost of trip will be \$17.50. We must have a deposit of \$5.00 by June 10th in order to make suitable arrangements for transportation.

Everlasting Bricks.

Once made a brick is practically indestructible. Nearly every brick that has ever been made by man from the beginning of time is still in existence on this earth. The men who made and laid them and who directed these operations have long since been gathered into dust. Some of them have doubtless contributed in their bodies to the making of more bricks. But the steadfast and enduring square of baked clay persists and will until the heavens and earth are shriveled like a scroll.—Exchange.

THOUSANDS GAIN GREAT BENEFITS

Object Lesson Gained by Trials Always Repays For Hardships

Experience is a hard task master. Oftentimes we pay dearly for experience, but if even one great object is accomplished, experience pays.

If the experience of war-ridden Europe will eventually establish real peace, the price of war will not have been too great.

In the smaller planes of life each individual has some costly experiences, only to learn some great object lesson. Disease often wastes years of some peoples' lives. They suffer years of agony and torture, only to be relieved by some remedy or treatment. Although they have paid dearly to secure this information, if they can relieve the sufferings of their fellows their experience has not been in vain.

These facts are being demonstrated every day. On one side we hear of a woman who, after suffering untold agonies from stomach trouble for fifteen years, is relieved by Tanlac, the new reconstructive, while from another source a prominent merchant testifies that after spending hundreds of dollars for medicines to relieve a severe case of chronic catarrh, he was benefitted immediately by Tanlac. They have paid dearly to accomplish that object. Others who hear of their experiences, and how they gained relief, will profit, however.

Thousands of men and women in all walks of life are daily acknowledging the benefits they have derived from Tanlac in cases of catarrhal affections of the mucous membranes, stomach, liver and kidney troubles. They feel that they should come forward publicly and tell their experiences with the spirit of helping some unfortunate who suffers as they did.

Tanlac has been found ideal in combating that tired, listless feeling that is only the forerunner of more serious complications. As a general tonic for half-sick, run-down men and women, it builds up the tissues, creates a keen appetite, promotes digestion, vitalizes the blood and brings back color to the cheeks and sparkle to the eyes.

Tanlac may be obtained in the following nearby towns: Earlington, Geo. King & Sons; Madisonville, Gardiner & Bowmer; Mortons Gap, B. T. Robinson; Nortonville, City Drug Store; White Plains, Dr. Bailey; Mannington, Walter McIntosh; St. Charles, George King & Sons; Carbondale, G. A. Public Opinion

The first taste of New Post Toasties reveals the fact that something different—something better—has arrived for the breakfast table.

The secret is in the flavour—a self-developed flavour of pearly white Indian corn—not the flavour of cream and sugar upon which other flakes have to depend.

And notice, too, the appearance of New Post Toasties, particularly the tiny bubbles on the surface of each flake. These bubbles are a distinguishing feature—produced by the quick, intense heat of a new patented process of manufacture.

New Post Toasties do not "chaff," or crumble in the package, and they don't mush down in cream like other flakes. They are more substantial and are altogether more satisfactory than any flakes that have preceded them.

The proof is in the eating—have your grocer send you a package.
